Re: Grayson RECC  
Petition for Confidential Treatment received 6/18/12  
PSC Reference – Case No. 2010-00089

Dear Mr. Scott:

The Public Service Commission has received the Petition for Confidential Treatment you filed on June 18, 2012 on behalf of Grayson RECC to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in Grayson RECC's conservation plans regarding the pilot program "Kentucky Energy Retrofit Rider". The information is described as personal information of customers, including names, phone numbers, and other identifying characteristics. Further, you requested that the redacted version of the Rider replace the version currently contained on the Commission's website.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would result in an unwarranted invasion of personal privacy to Grayson RECC's customers.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would result in an unwarranted invasion of personal privacy to Grayson RECC's customers. The Commission, as requested, will replace the current web version with the redacted version of the Kentucky Energy Retrofit Rider, thereby excluding the personal information described above. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be removed from

Mr. Scott

the public record and maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Grayson RECC is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen  
Executive Director
