Re: Case No. 2010-00121

Dear Mr. Derouen:

Kentucky Rural Water Association hosted three regional meetings during the month of April, 2010. On behalf of Kentucky Rural Water Association, I hereby attest that the programs, herein referenced as Case No. 2010-00121, were held as scheduled in Morehead, Owensboro, and Draffenville. The planned course of instruction, approved for two (2) credit hours per session by the commission, was performed as submitted with no changes.

As required, KRWA has retained a record of all persons requesting commissioner training hours for these approved courses. Although no commissioners attended the Northeast Regional or Green River Regional meetings, we have included the list of commissioners earning hours at the Western Regional.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for your leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Clem Wethington
Education Director
