INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File - Case No. 2010-00203
FROM: Jeff Shaw, Team Leader
DATE:  March 4, 2011
RE: Informal Conference of October 21, 2010

On October 21, 2010, an informal conference ("IC") at the Commission's offices was attended by representatives of Duke Energy Kentucky ("Duke Kentucky"), the Midwest Independent Transmission System Operator, Inc. ("Midwest ISO"), the PJM Interconnection Regional Transmission Organization, and Commission Staff. The attendance list for the IC is attached hereto.

The purpose of the IC was to discuss and attempt to resolve the Midwest ISO's motion to compel that further information be provided by Duke Kentucky in response to several of the data requests promulgated by the Midwest ISO to Duke Kentucky. The parties were able to determine that, for some of Duke Kentucky's data responses, there had been an error in formatting, resulting in the numbers of the responses not matching the numbers of questions contained in the Midwest ISO's data request. Duke Kentucky was able to address some of the remaining requests at the IC while it agreed to provide updated, expanded responses to five of the requests included in the motion to compel.

With that understanding having been reached, the IC was adjourned.
