RE: PSC Case No. 2010-00230

Dear Mr. Combs:

The ordering paragraphs of the final order in Case No. 2010-00230 state the following:

- *Grayson shall file annual reports by March 31 of each year stating the number of customers who chose each optional tariff during the previous calendar year, the aggregate kWh usage in each of the energy categories for each optional tariff, and the kW demand for each of the Demand and Energy tariffs.*

I have been unable to locate this information in your annual and statistical report packet which we have received. Please submit this report so that I may add it to the case file or direct me to where I might locate it.

Your immediate attention to this issue is greatly appreciated.

Sincerely,

Linda Faulkner
Filings Director
