IN THE MATTER OF:)

 RATEMAKING MECHANISM (PBR))

**PETITION FOR CONFIDENTIALITY OF CERTAIN INFORMATION
 BEING FILED WITH THE KENTUCKY PUBLIC SERVICE COMMISSION
 WITH THE ANNUAL REPORT ON ATMOS ENERGY CORPORATION'S
 PERFORMANCE BASED
 RATEMAKING MECHANISM**

Atmos Energy Corporation ("Atmos Energy" or "Company"), respectfully petitions the Kentucky Public Service Commission ("Commission"), pursuant to 807 KAR 5:001, Section 7, and all other applicable law, for confidential treatment of the information contained in the attached document. In support of this petition, Atmos Energy states as follows:

1. On December 7, 2010, the Commission entered an Order in case no. 2010-00353 approving an extension, as modified, of Atmos' Experimental Performance Based Ratemaking Mechanism ("PBR") for a period of five (5) years. The Commission's Order further required the Company to file annual reports on the on the results of the PBR program by August 31 of each year, commencing in 2011. The attached report

contains the quantitative results of Atmos' PBR program for the period of June, 2012 through May, 2013 and is filed in fulfillment of that requirement.

2. The Company's current gas supply contract is with a single source supplier, Atmos Energy Marketing, Inc. ("AEM"). It contains significant pricing discounts. In order to fully report to the Commission the results of the Company's current PBR program, disclosure of the discounts on gas purchases provided in the current supply contract is required. In order to protect the confidentiality of that information, not only must the discount themselves be redacted in the non-confidential version, but all information from which the discount could be calculated, must likewise be redacted. Since this information is both disclosed in, and determinable from, data appearing throughout the quantitative results contained in Exhibit "A", the entire Exhibit "A" has been redacted.

3. This type of information has been determined by the Commission in Atmos ' prior PBR proceedings to be entitled to confidential protection. Nothing has occurred since the Commission granted confidential protection to this type of information that would now disqualify it from protection. The Company accordingly petitions the Commission to again treat this information as confidential.

4. Pursuant to 807 KAR 5:001, Section 7 (3), temporary confidentiality of the information sought to be protected herein should be maintained until the Commission enters an orders as to this Petition. Once the order regarding confidentiality has been issued, Western would have twenty (20) days to seek alternative remedies pursuant to 807 KAR 5:0001, Section 7 (4).

WHEREFORE, Company petitions the Commission to treat as confidential the information contained in the attached.

Respectfully submitted this 20th day of August, 2013.
