Re: Columbia Gas of Kentucky, Inc.
Petition for Confidential Treatment received 11/30/12
PSC Reference – Case No. 2010-00365

Dear Mr. Seiple:

The Public Service Commission has received the Petition for Confidential Treatment you filed on November 30, 2012 on behalf of Columbia Gas of Kentucky, Inc. ("Columbia") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in Columbia's 2012-2013 Initial Hedging Report pursuant to Commission Order dated November 23, 2010. The information is described as identifying Trigger Prices, and the quantities of gas to be hedged.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to competitors and would reveal trade secrets.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to Columbia's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be removed from the public record and maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Columbia Gas of Kentucky, Inc. is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen", written over the typed name.
