("Borrower"), a corporation organized and existing under the laws of the State of Kentucky, and NATIONAL COOPERATIVE SERVICES CORPORATION ("NCSC"), a cooperative association organized and existing under the laws of the District of Columbia.

RECITALS

WHEREAS, the Borrower has agreed to execute one or more promissory notes to evidence an indebtedness in the aggregate principal amount of the NCSC Commitment (as hereinafter defined).

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto agree and bind themselves as follows:

ARTICLE I

DEFINITIONS

Section 1.01 For purposes of this Agreement, the following capitalized terms shall have the following meanings (such definitions to be equally applicable to the singular and the plural form thereof).

"Accounting Requirements" shall mean any system of accounts prescribed by a federal regulatory authority having jurisdiction over the Borrower (including but not limited to that prescribed by the financial and statistical report required by RUS, commonly known as the "RUS Form 7"), or in the absence thereof, the requirements of GAAP applicable to businesses similar to that of the Borrower.

"Advance" shall mean each advance of funds by NCSC to the Borrower pursuant to the terms and conditions of this Agreement.

"Amortization Basis Date" shall mean the first calendar day of the month following the end of the Billing Cycle in which the Advance occurs, provided, however, that if the Advance is made on the first day of a Billing Cycle, and such day is a Business Day, then the Amortization Basis Date shall be the date of the Advance.

"Average DSC Ratio" shall mean the average of the Borrower's two highest annual DSC Ratios during the most recent three calendar years.

"Billing Cycle" shall mean any 3-month period ending on, and including, a Payment Date.

"Business Day" shall mean any day that both NCSC and the depository institution NCSC utilizes for funds transfers hereunder are open for business.

"CFC" shall mean National Rural Utilities Cooperative Finance Corporation, a cooperative association organized and existing under the laws of the District of Columbia.

"Conversion Request" shall mean a written request to NCSC from any duly authorized officer or other employee of the Borrower requesting an interest rate conversion available pursuant to the terms of this Agreement.

"Debt Service Coverage ("DSC") Ratio" shall mean the ratio determined as follows: for any calendar year add (i) Operating Margins, (ii) Non-Operating Margins--Interest, (iii) Interest Expense, (iv) Depreciation and Amortization Expense, and (v) cash received in respect of generation and transmission and other capital credits, and divide the sum so obtained by the sum of all payments of Principal and Interest Expense required to be made during such calendar year; provided, however, that in the event that any amount of Long-Term Debt has been refinanced during such year, the payments of Principal and Interest Expense required to be made during such year on account of such refinanced amount of Long-Term Debt shall be based (in lieu of actual payments required to be made on such refinanced amount of Long-Term Debt) upon the larger of (i) an annualization of the payments required to be made with respect to the refinancing debt during the portion of such year such refinancing debt is outstanding or (ii) the payment of Principal and Interest Expense required to be made during the following year on account of such refinancing debt.

"Default Rate" shall mean a rate per annum equal to the interest rate in effect for an Advance plus two hundred basis points.

"Depreciation and Amortization Expense" shall mean an amount constituting the depreciation and amortization of the Borrower computed pursuant to Accounting Requirements.

"Distributions" shall mean, with respect to the Borrower, any dividend, patronage refund, patronage capital retirement or cash distribution to its members, or consumers (including but not limited to any general cancellation or abatement of charges for electric energy or services furnished by the Borrower). The term "Distribution" shall *not* include (a) a distribution by the Borrower to the estate of a deceased patron, (b) repayment by the Borrower of a membership fee upon termination of a membership, or (c) any rebate to a patron resulting from a cost abatement received by the Borrower, such as a reduction of wholesale power cost previously incurred.

"Draw Period" Draw Period shall mean the period of beginning on the date hereof and ending on the date that is one year thereafter.

"Environmental Laws" shall mean all laws, rules and regulations promulgated by any Governmental Authority, with which Borrower is required to comply, regarding the use, treatment, discharge, storage, management, handling, manufacture, generation, processing, recycling, distribution, transport, release of or exposure to any Hazardous Material.

"Equity" shall mean the aggregate of the Borrower's equities and margins computed pursuant to Accounting Requirements.

"Event of Default" shall have the meaning as described in Article VI hereof.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board.

"Governmental Authority" shall mean the government of the United States of America, any other nation or government, any state or other political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Hazardous Material" shall mean any (a) petroleum or petroleum products, radioactive materials, asbestos-containing materials, polychlorinated biphenyls, lead and radon gas, and (b) any other substance designated as hazardous or toxic or as a pollutant or contaminant under any Environmental Law.

"Interest Expense" shall mean an amount constituting the interest expense with respect to Long-Term Debt of the Borrower computed pursuant to Accounting Requirements. In computing Interest Expense, there shall be added, to the extent not otherwise included, an amount equal to 33-1/3% of the excess of Restricted Rentals paid by the Borrower over 2% of the Borrower's Equity.

"Interest Rate Reset Date" shall mean, with respect to any Advance, the first day following the expiration of the NCSC Fixed Rate Term for such Advance.

"Loan Documents" shall mean this Agreement, the Note and all other documents or instruments executed, delivered or executed and delivered by the Borrower and evidencing, governing or otherwise pertaining to the loan made by NCSC to the Borrower, pursuant to this Agreement.

"Long-Term Debt" shall mean an amount constituting the long-term debt of the Borrower computed pursuant to Accounting Requirements.

"Make-Whole Premium" shall mean, with respect to any principal sum of a NCSC Fixed Rate Advance paid prior to the expiration of the NCSC Fixed Rate Term applicable thereto (the "Prepaid Principal Amount"), an amount calculated as set forth below. The Make-Whole Premium represents NCSC's reinvestment loss resulting from making a fixed rate loan.

(1) Compute the amount of interest ("Loan Interest") that would have been due on the Prepaid Principal Amount at the applicable NCSC Fixed Rate for the period from the prepayment date through the end of the NCSC Fixed Rate Term (such period is hereinafter referred to as the "Remaining Term"), calculated on the basis of a 30-day month/360-day year, adjusted to include any amortization of principal in accordance with the amortization schedule that would have been in effect for the Prepaid Principal Amount.

(2) Compute the amount of interest ("Investment Interest") that would be earned on the Prepaid Principal Amount (adjusted to include any applicable amortization) if invested in a United States government security with a term equivalent to the Remaining Term,

calculated on the basis of a 30-day month/360-day year. The yield used to determine the amount of Investment Interest shall be based upon United States government security yields dated no more than two Business Days prior to the prepayment date in Federal Reserve statistical release H.15 (519), under the caption "U.S. Government Securities/Treasury Constant Maturities". If there is no such United States government security under said caption with a term equivalent to the Remaining Term, then the yield shall be determined by interpolating between the terms of whole years nearest to the Remaining Term.

(3) Subtract the amount of Investment Interest from the amount of Loan Interest. If the difference is zero or less, then the Make-Whole Premium is zero. If the difference is greater than zero, then the Make-Whole premium is a sum equal to the present value of the difference, applying as the present value discount a rate equal to the yield utilized to determine Investment Interest.

"Maturity Date" with respect to each Note shall have the meaning ascribed to it therein.

"NCSC Commitment" shall have the meaning as defined in Schedule 1 hereto.

"NCSC Fixed Rate" shall mean (i) such fixed rate as is then available for loans with comparable maturities pursuant to NCSC's policies and procedures then in effect, or (ii) such other fixed rate as may be agreed to by the parties and reflected on the written requisition for funds in the form attached as Exhibit A hereto.

"NCSC Fixed Rate Term" shall mean the specific period of time that a NCSC Fixed Rate is in effect for an Advance.

"NCSC Variable Rate" shall mean (i) the rate published by NCSC from time to time, by electronic or other means, for similarly classified variable interest rate loans, but if not published, then the rate determined for such loans by NCSC from time to time or (ii) such other variable rate as may be agreed to by the parties on the written requisition for funds in the form attached as Exhibit A hereto.

"Non-Operating Margins--Interest" shall mean the amount representing the interest component of non-operating margins of the Borrower computed pursuant to Accounting Requirements.

"Note" or "Notes" shall mean each promissory note, payable to the order of NCSC, executed by the Borrower, dated as of even date herewith, pursuant to this Agreement as identified on Schedule 1 hereto, and shall include all substitute, amended or replacement promissory notes.

"Obligations" shall mean any and all liabilities, obligations or indebtedness owing by the Borrower to NCSC, of any kind or description, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising.

"Operating Margins" shall mean the amount of patronage capital and operating margins of the Borrower computed pursuant to Accounting Requirements.

"Payment Date" shall mean the last day of each of the months referred to in Schedule 1.

"Person" shall mean natural persons, cooperatives, corporations, limited liability companies, limited partnerships, general partnerships, limited liability partnerships, joint ventures, associations, companies, trusts or other organizations, irrespective of whether they are legal entities, and Governmental Authorities.

"Principal" shall mean the amount of principal billed on account of Long-Term Debt of the Borrower computed pursuant to Accounting Requirements.

"Restricted Rentals" shall mean all rentals required to be paid under finance leases and charged to income, exclusive of any amounts paid under any such lease (whether or not designated therein as rental or additional rental) for maintenance or repairs, insurance, taxes, assessments, water rates or similar charges. For the purpose of this definition the term "finance lease" shall mean any lease having a rental term (including the term for which such lease may be renewed or extended at the option of the lessee) in excess of three (3) years and covering property having an initial cost in excess of \$250,000 other than automobiles, trucks, trailers, other vehicles (including without limitation aircraft and ships), office, garage and warehouse space and office equipment (including without limitation computers).

"RUS" shall mean the Rural Utilities Service, an agency of the United States Department of Agriculture, or if at any time after the execution of this Agreement RUS is not existing and performing the duties of administering a program of rural electrification as currently assigned to it, then the entity performing such duties at such time.

"Subsidiary" as to any Person, shall mean a corporation, partnership, limited partnership, limited liability company or other entity of which shares of stock or other ownership interests having ordinary voting power (other than stock or such other ownership interests having such power only by reason of the happening of a contingency) to elect a majority of the board of directors or other managers of such entity are at the time owned, or the management of which is otherwise controlled, directly or indirectly through one or more intermediaries, or both, by such Person. Unless otherwise qualified, all references to a "Subsidiary" or to "Subsidiaries" in this Agreement shall refer to a Subsidiary or Subsidiaries of the Borrower.

"Total Assets" shall mean an amount constituting the total assets of the Borrower computed pursuant to Accounting Requirements.

"Total Utility Plant" shall mean the amount constituting the total utility plant of the Borrower computed pursuant to Accounting Requirements.

C. Authority; Validity. The Borrower has the power and authority to enter into this Agreement and the Note; to make the borrowing hereunder; to execute and deliver all documents and instruments required hereunder and to incur and perform the obligations provided for herein and in the Note, all of which have been duly authorized by all necessary and proper action; and no consent or approval of any Person, including, as applicable and without limitation, members of the Borrower, which has not been obtained is required as a condition to the validity or enforceability hereof or thereof.

Each of this Agreement and the Note is, and when fully executed and delivered will be, legal, valid and binding upon the Borrower and enforceable against the Borrower in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity.

The Borrower and its Subsidiaries are not, to the Borrower's knowledge, in default or violation with respect to any judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority which would have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower or its Subsidiaries.

H. Financial Statements. The balance sheet of the Borrower as at the date identified in Schedule 1 hereto, the statement of operations of the Borrower for the period ending on said date, and the interim financial statements of the Borrower, all heretofore furnished to NCSC, are complete and correct. The Borrower has no contingent obligations or extraordinary forward or long-term commitments except as specifically stated in said balance sheet or herein. No license, consent or approval of any Governmental Authority is required to enable the Borrower to enter into this Agreement and the Note, or to perform any of its Obligations provided for in such documents, including without limitation (and if applicable), that of any state public utilities commission and any state public service commission, except as disclosed in Schedule 1 hereto, all of which the Borrower has obtained prior to the date hereof.

J. Compliance With Laws. The Borrower and each Subsidiary is in compliance, in all material respects, with all applicable requirements of law and all applicable rules and regulations of each Governmental Authority.

ARTICLE III

LOAN

Section 3.01 Advances. NCSC agrees to make one or more Advances for the purpose of refinancing certain of Borrower's existing indebtedness, as more fully described on Schedule 1 hereto, in an aggregate principal amount not to exceed the NCSC Commitment, *provided, however,* that Borrower shall not request, and NCSC shall have no obligation to advance, an amount greater than 105% of the outstanding principal balance of the indebtedness that is being refinanced. The obligation of the Borrower to repay Advances shall be evidenced by the Note. The Borrower shall give NCSC written notice of the date on which each Advance is to be made. Advances shall be remitted by NCSC directly to the lender whose indebtedness the Borrower is refinancing. Borrower shall provide NCSC with wiring instructions and/or such other information as is necessary to remit funds pursuant hereto.

At the end of the Draw Period, NCSC shall have no further obligation to make Advances. The obligation of the Borrower to repay the Advances shall be evidenced by one or more Notes.

Section 3.02 Interest Rate and Payment. The Note shall be payable and bear interest as follows:

A. Payments; Maturity; Amortization.

(i) Each Note shall have a Maturity Date that is not more than fourteen (14) years from the date hereof, *provided, however,* that if such date is not a Payment Date, then the Maturity Date shall be the Payment Date immediately preceding such date.

(ii) The principal amount of each Advance shall amortize over a period not to exceed fourteen (14) years from the date of such Advance according to the amortization method set forth in Schedule 1 hereto, *provided, however,* that such period shall not extend beyond the Maturity Date.

For each Advance, the Borrower shall promptly pay interest in the amount invoiced on each Payment Date until the first Payment Date of the Billing Cycle in which the Amortization Basis Date occurs. On such Payment Date, and on each Payment Date thereafter, the Borrower shall promptly pay interest and principal in the amounts invoiced. If not sooner paid, any amount due on account of the unpaid principal, interest accrued thereon and fees, if any, shall be due and payable on the Maturity Date. The amortization method for each Advance shall be as stated on Schedule 1 or, if not so stated, then as stated on the written requisition for such Advance submitted by the Borrower to NCSC pursuant to the terms hereof.

(iii) NCSC will invoice the Borrower at least ten (10) days before each Payment Date, *provided, however,* that NCSC's failure to send an invoice shall not constitute a waiver by NCSC or be deemed to relieve the Borrower of its obligation to make payments as and when due as provided for herein.

(iv) No provision of this Agreement or of any Note shall require the payment, or permit the collection, of interest in excess of the highest rate permitted by applicable law.

B. Application of Payments. Each payment shall be applied to the Obligations, first to any fees, costs, expenses or charges other than interest or principal, second to interest accrued and the balance to principal.

C. Selection of Interest Rate and Interest Rate Computation. Prior to each Advance on a Note, the Borrower must select in writing either a NCSC Fixed Rate or the NCSC Variable Rate as follows:

(i) **NCSC Fixed Rate.** If the Borrower selects a NCSC Fixed Rate for an Advance, then such rate shall be in effect for the NCSC Fixed Rate Term selected by the Borrower. NCSC shall provide the Borrower with at least sixty (60) days prior written or electronic notice of the Interest Rate Reset Date for such Advance. The Borrower may then select any available interest rate option for such Advance pursuant to NCSC's policies of general application. The Advance shall bear interest according to the interest rate option so selected beginning on the Interest Rate Reset Date. If the Borrower does not select an interest rate in writing prior to the Interest Rate Reset Date, then beginning on the Interest Rate Reset Date the Advance shall bear interest at the NCSC Variable Rate. NCSC agrees that its long-term loan policies will include a fixed interest rate option until the Maturity Date. For any Advance, the Borrower may not select a NCSC Fixed Rate with a NCSC Fixed Rate Term that extends beyond the Maturity Date. Interest on Advances bearing interest at an NCSC Fixed Rate shall be computed for the actual number of days elapsed on the basis of a year of 365 days, until the first day of the Billing Cycle in which the Amortization Basis Date occurs; interest shall then be computed on the basis of a 30-day month and 360-day year.

(ii) **NCSC Variable Rate.** If the Borrower selects the NCSC Variable Rate for an Advance, then such NCSC Variable Rate shall apply until the Maturity Date, unless the Borrower elects to convert to an NCSC Fixed Rate pursuant to the terms hereof. Interest on Advances bearing interest at the NCSC Variable Rate shall be computed for the actual number of days elapsed on the basis of a year of 365 days.

Section 3.03 Conversion of Interest Rates. The Borrower may at any time exercise any or all of the following interest rate conversion options by submitting a Conversion Request. The effective date of the interest rate conversion shall be determined by NCSC pursuant to its policies of general application.

A. NCSC Variable Rate to a NCSC Fixed Rate. The Borrower may convert the interest rate on an outstanding Advance from the NCSC Variable Rate to a NCSC Fixed Rate without a fee. Upon such conversion, the new interest rate shall be the NCSC Fixed Rate in effect on the date of the Conversion Request for the NCSC Fixed Rate Term selected by the Borrower.

B. NCSC Fixed Rate to NCSC Variable Rate. The Borrower may convert the interest rate on an outstanding Advance from a NCSC Fixed Rate to the NCSC Variable Rate, provided that the Borrower promptly pays the invoiced amount for any applicable conversion fee calculated pursuant to NCSC's long-term loan policies as established from time to time for similarly classified long-term loans. Upon such conversion, the new interest rate shall be the NCSC Variable Rate in effect on the date of the Conversion Request.

C. A NCSC Fixed Rate to Another NCSC Fixed Rate. The Borrower may convert the interest rate on an outstanding Advance from a NCSC Fixed Rate to a different NCSC Fixed

Rate by selecting a different NCSC Fixed Rate Term, provided that the Borrower promptly pays the invoiced amount for any applicable conversion fee calculated pursuant to NCSC's long-term loan policies as established from time to time for similarly classified long-term loans. Upon such conversion, the new interest rate shall be the NCSC Fixed Rate in effect on the date of the Conversion Request for the new NCSC Fixed Rate Term selected by the Borrower.

Section 3.04 Optional Prepayment. The Borrower may at any time, on not less than thirty (30) days prior written notice to NCSC, prepay any Advance, in whole or in part. Partial prepayments shall be applied to such installments due under the Note as may be designated by NCSC at the time of such prepayment. In the event the Borrower prepays all or any part of an Advance (regardless of the source of such prepayment and whether voluntary, by acceleration or otherwise), the Borrower shall pay any prepayment fee or Make-Whole Premium as NCSC may prescribe pursuant to the terms of this Section 3.04. All prepayments shall be accompanied by payment of accrued and unpaid interest on the amount of and to the date of the repayment. All prepayments shall be applied first to fees, second to the payment of accrued and unpaid interest, and then to the unpaid balance of the principal amount of the applicable Advance.

If the Advance bears interest at the NCSC Variable Rate, the Borrower may prepay the Advance or any portion thereof, as the case may be, at any time subject to the terms hereof and said prepayment fee shall be in an amount equal to thirty three (33) basis points times the amount being prepaid, *provided, however*, that such fee shall not be charged for prepayment of any such Advance or portion thereof used to refinance the accrued but unpaid interest due on the Borrower's indebtedness with RUS.

If the Advance bears interest at a NCSC Fixed Rate, the Borrower may (a) prepay the Advance on the day before an Interest Rate Reset Date provided that the Borrower shall pay a prepayment fee in an amount equal to thirty three (33) basis points times the amount being prepaid or (b) any such other date provided that the Borrower shall pay a prepayment fee in an amount equal to thirty three (33) basis points times the amount being prepaid plus any applicable Make-Whole Premium.

Section 3.05 Mandatory Prepayment. If there is a change in the Borrower's corporate structure (including without limitation by merger, consolidation, conversion or acquisition), then upon the effective date of such change, (a) the Borrower shall no longer have the ability to request, and NCSC shall have no obligation to make, Advances hereunder and (b) the Borrower shall prepay the outstanding principal balance of all Obligations, together with any accrued but unpaid interest thereon, any unpaid costs or expenses provided for herein, and a prepayment premium as set forth in any agreement between the Borrower and NCSC with respect to any such Obligation or, if not specified therein, as prescribed by NCSC pursuant to its policies of general application in effect from time to time.

Notwithstanding the foregoing, if after giving effect to such change in Borrower's corporate structure, Borrower, or its successor in interest, is engaged in the furnishing of electric utility services to its members and patrons for their use as ultimate consumers and is organized as a cooperative, nonprofit corporation, public utility district, municipality, or other public governmental body, Borrower shall retain the ability to request, and NCSC shall retain the obligation to make, Advances hereunder and no prepayment shall be required under this Section 3.05.

Section 3.06 Default Rate. If the Borrower defaults on its obligation to make a payment due hereunder by the applicable Payment Date, and such default continues for thirty days thereafter, then beginning on the thirty-first day after the Payment Date and for so long as such default continues, Advances shall bear interest at the Default Rate.

ARTICLE IV

CONDITIONS OF LENDING

Section 4.01 The obligation of NCSC to make any Advance hereunder is subject to satisfaction of the following conditions in form and substance satisfactory to NCSC:

A. Legal Matters. All legal matters incident to the consummation of the transactions hereby contemplated shall be satisfactory to counsel for NCSC.

E. Requisitions. The Borrower will requisition each Advance by submitting its written requisition to NCSC in form and substance satisfactory to NCSC. Requisitions for Advances shall be made only for the purposes set forth in Schedule 1 hereto.

F. Other Information. The Borrower shall have furnished such other information as NCSC may reasonably require, including but not limited to (i) information regarding the specific purpose for an Advance and the use thereof, (ii) feasibility studies, cash flow projections, financial analyses and pro forma financial statements sufficient to demonstrate to NCSC's reasonable satisfaction that after giving effect to the Advance requested, the Borrower shall continue to achieve the DSC ratio set forth in Section 5.01.A. herein, to meet all of its debt service obligations, and otherwise to perform and to comply with all other covenants and conditions set forth in this Agreement, and (iii) any other information as NCSC may reasonably request. G. Special Conditions. NCSC shall be fully satisfied that the Borrower has complied with all special conditions identified in Schedule 1 hereto.

G. Funds Requisition. The Borrower agrees (i) that NCSC may rely conclusively upon the interest rate option, interest rate term and other written instructions submitted to NCSC in the Borrower's written request for an Advance hereunder, (ii) that such instructions shall constitute a covenant under this Agreement to repay the Advance in accordance with such instructions, the applicable Note and this Agreement, and (iii) to request Advances only for the purposes set forth in Schedule 1 hereto.

H. Compliance With Laws. The Borrower and each Subsidiary shall remain in compliance, in all material respects, with all applicable requirements of law and applicable rules and regulations of each Governmental Authority.

L. Limitations on Loans, Investments and Other Obligations. The aggregate amount of all purchases, investments, loans, guarantees, commitments and other obligations described in Section 5.02.D(i) of this Agreement shall at all times be less than fifteen percent (15%) of Total Utility Plant or fifty percent (50%) of Equity, whichever is greater.

M. Special Covenants. The Borrower agrees that it will comply with any special covenants identified in Schedule 1 hereto.

A. Limitations on Mergers. Consolidate with, merge, or sell all or substantially all of its business or assets, or enter into an agreement for such consolidation, merger or sale, to another entity or person unless such action is either approved, as is evidenced by the prior written consent of NCSC, or the purchaser, successor or resulting corporation is or becomes a member in good standing of NCSC and assumes the due and punctual payment of the Note and the due and punctual performance of the covenants contained herein.

B. Limitations on Sale, Lease or Transfer of Capital Assets; Application of Proceeds. Sell, lease or transfer (or enter into an agreement to sell, lease or transfer) any capital asset, except in accordance with this Section 5.02.B. If no Event of Default (and no event which with notice or lapse of time and notice would become an Event of Default) shall have occurred and be continuing, the Borrower may, without the prior written consent of NCSC, sell, lease or transfer (or enter into an agreement to sell, lease or transfer) any capital asset in exchange for fair market value consideration paid to the Borrower if the value of such capital asset is less than five percent (5%) of Total Utility Plant and the aggregate value of capital assets sold, leased or transferred in any 12-month period is less than ten percent (10%) of Total Utility Plant. If the Borrower does sell, lease or transfer any capital assets, then the proceeds thereof (less ordinary and reasonable expenses incident to such transaction) shall immediately (i) be applied as a prepayment of the Note, to such installments as may be designated by NCSC at the time of any such prepayment; (ii) in the case of dispositions of equipment, material or scrap, applied to the purchase of other property useful in the Borrower's business, although not necessarily of the same kind as the property disposed of; or (iii) applied to the acquisition or construction of other property or in reimbursement of the costs of such property.

C. Limitation on Dividends, Patronage Refunds and Other Distributions.

- (i) Make any Distribution if an Event of Default under this Agreement has occurred and is continuing; or

(ii) Make a Distribution in any calendar year in an amount greater than thirty percent (30%) of the Borrower's total margins for the preceding calendar year, unless, after giving effect to the Distribution, the total Equity of the Borrower will be at least twenty percent (20%) of its Total Assets.

D. Limitations on Loans, Investments and Other Obligations.

(i) (a) Purchase, or make any commitment to purchase, any stock, bonds, notes, debentures, or other securities or obligations of or beneficial interests in, (b) make, or enter into a commitment to make, any other investment, monetary or otherwise, in, (c) make, or enter into a commitment to make, any loan to, or (d) guarantee, assume, or otherwise become liable for, or enter into a commitment to guarantee, assume, or otherwise become liable for, any obligation of any Person if, after giving effect to such purchase, investment, loan, guarantee or commitment, the aggregate amount thereof would exceed the greater of fifteen percent (15%) of Total Utility Plant or fifty percent (50%) of Equity.

(iii) In no event may the Borrower take any action pursuant to subsection (i) if an Event of Default under this Agreement has occurred and is continuing.

E. Limitation on Indebtedness. Create, incur, assume, become liable in any manner in respect of, any unsecured indebtedness except (i) the Obligations and (ii) accounts payable to trade creditors for goods or services incurred in the ordinary course of business, as presently conducted, and paid within the specified time unless contested in good faith and by appropriate proceedings.

ARTICLE VI

EVENTS OF DEFAULT

Section 6.01 The following shall be "Events of Default" under this Agreement:

A. Representations and Warranties. Any representation or warranty made by the Borrower herein, or in any of the other Loan Documents, or in any certificate or financial statement furnished to NCSC hereunder or under any of the other Loan Documents shall prove to be false or misleading in any material respect.

B. Payment. The Borrower shall fail to pay (whether upon stated maturity, by acceleration, or otherwise) any principal, interest, premium (if any) or other amount payable under the Note and the Loan Documents within five (5) Business Days after the due date thereof.

(ii) Thirty Day Grace Period. D. Legal Existence, Permits and Licenses. The Borrower shall forfeit or otherwise be deprived of (i) its authority to conduct business in the jurisdiction in which it is organized or in any other jurisdiction where such authority is required in order for the Borrower to conduct its business in such jurisdiction or (ii) permits, easements, consents or licenses required to carry on any material portion of its business.

E. Other NCSC Obligations. The Borrower shall be in breach or default of any Obligation, which breach or default continues uncured beyond the expiration of any applicable grace period.

F. Other Obligations. The Borrower shall (i) fail to make any payment of any principal, premium or any other amount due or interest on any indebtedness with parties other than NCSC which shall remain unpaid beyond the expiration of any applicable grace period, or (ii) be in breach or default with respect to any other term of any evidence of any other indebtedness with parties other than NCSC or of any loan agreement, mortgage or other agreement relating thereto which breach or default continues uncured beyond the expiration of any applicable grace period, if the effect of such failure, default or breach is to cause the holder or holders of that indebtedness to cause that indebtedness to become or be declared due prior to its stated maturity (upon the giving or receiving of notice, lapse of time, both or otherwise).

G. Involuntary Bankruptcy. An involuntary case or other proceeding shall be commenced against the Borrower seeking liquidation, reorganization or other relief with respect to it or its debts under bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property and such involuntary case or other proceeding shall continue without dismissal or stay for a period of sixty (60) consecutive days; or an order for relief shall be entered against the Borrower under the federal bankruptcy laws or applicable state law as now or hereafter in effect.

H. Insolvency. The Borrower shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or

The term "dissolution or liquidation of the Borrower", as used in this subsection, shall not be construed to include the cessation of the corporate existence of the Borrower resulting either from a merger or consolidation of the Borrower into or with another corporation following a transfer of all or substantially all its assets as an entirety, under the conditions set forth in Section 5.02.A.

J. Material Adverse Change. Any material adverse change in the business or condition, financial or otherwise, of the Borrower.

K. Monetary Judgment. The Borrower shall suffer any money judgment not covered by insurance, writ or warrant of attachment or similar process involving an amount in excess of \$100,000 and shall not discharge, vacate, bond or stay the same within a period of sixty (60) days.

L. Nonmonetary Judgment. One or more nonmonetary judgments or orders (including, without limitation, injunctions, writs or warrants of attachment, garnishment, execution, distraint, replevin or similar process) shall be rendered against the Borrower that, either individually or in the aggregate, could reasonably be expected to have a material adverse effect upon the business, operations, prospects, assets, liabilities or financial condition of the Borrower.

ARTICLE VII

REMEDIES

Section 7.01 If any of the Events of Default listed in Section 6 hereof shall occur after the date of this Agreement and shall not have been remedied within the applicable grace periods specified therein, then NCSC may:

- (i) Cease making Advances hereunder;
- (ii) Declare all unpaid principal outstanding on the Note, all accrued and unpaid interest thereon, and all other Obligations to be immediately due and payable and the same shall thereupon become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived;
- (iii) Exercise rights of setoff or recoupment and apply any and all amounts held, or hereafter held, by NCSC or owed to the Borrower or for the credit or account of the Borrower against any and all of the Obligations of the Borrower now or hereafter existing hereunder or under the Note. The rights of NCSC under this

section are in addition to any other rights and remedies (including other rights of setoff or recoupment) which NCSC may have. The Borrower waives all rights of setoff, deduction, recoupment or counterclaim;

- (iv) Pursue all rights and remedies available to NCSC that are contemplated by the Loan Documents in the manner, upon the conditions, and with the effect provided therein, including, but not limited to, a suit for specific performance, injunctive relief or damages;
- (v) Pursue any other rights and remedies available to NCSC at law or in equity.

Nothing herein shall limit the right of NCSC to pursue all rights and remedies available to a creditor following the occurrence of an Event of Default. Each right, power and remedy of NCSC shall be cumulative and concurrent, and recourse to one or more rights or remedies shall not constitute a waiver of any other right, power or remedy.

ARTICLE VIII

The Borrower agrees to save harmless and indemnify NCSC from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, recording costs or any other expenses incurred by NCSC in connection with this Agreement. The provisions of this subsection shall survive the execution and delivery of this Agreement and the payment of all other amounts due under the Loan Documents.

Section 8.06 Waiver; Modification. No failure on the part of NCSC to exercise, and no delay in exercising, any right or power hereunder or under the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise by NCSC of any right hereunder, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No modification or waiver of any provision of this Agreement or the Note and no consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be in writing by the party granting such modification, waiver or consent, and then such modification, waiver or consent shall be effective only in the specific instance and for the purpose for which given.

SECTION 8.07 GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

SECTION 8.08 INDEMNIFICATION. THE BORROWER HEREBY INDEMNIFIES AND AGREES TO HOLD HARMLESS, AND DEFEND NCSC AND ITS MEMBERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS AND REPRESENTATIVES (EACH AN "INDEMNITEE") FOR, FROM, AND AGAINST ALL CLAIMS, DAMAGES, LOSSES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COSTS AND EXPENSES OF LITIGATION AND REASONABLE ATTORNEYS' FEES) ARISING FROM ANY CLAIM OR DEMAND IN RESPECT OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS DESCRIBED IN THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ARISING AT ANY TIME, WHETHER BEFORE OR AFTER PAYMENT AND PERFORMANCE OF ALL OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS IN FULL, EXCEPTING ANY SUCH MATTERS ARISING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF NCSC OR ANY INDEMNITEE. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN SECTION 8.12 HEREOF, THE OBLIGATIONS IMPOSED UPON THE BORROWER BY THIS SECTION SHALL SURVIVE THE REPAYMENT OF THE NOTE AND THE TERMINATION OF THIS AGREEMENT.
