COMMISSION

SUBJECT: Case No. 2011-00009

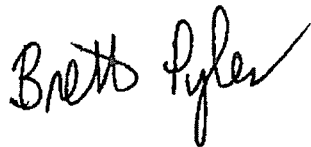

Dear Mr. Derouen;

In accordance with the order issued on May 17, 2011 by the Kentucky Public Service Commission, item number 3, for the Case number referenced above, please find attached the current progress report for the District's AMR project.

As noted on the report, there was a delay from the manufacturer of the meters due to flooding at their facility. The District has since made an order from another manufacturer until the situation has been resolved.

Please feel free to call if you have any questions or comments.

Sincerely,

Brett Pyles, Operations Manager
