RE: Informal Conference of January 13, 2012

Pursuant to the Commission's January 13, 2012 Order, on January 13, 2012, representatives of Louisville Gas and Electric Company ("LG&E"), Kentucky Utilities Company ("KU") (collectively the "Companies") and Commission Staff ("Staff") met at the Commission's offices to discuss LG&E and KU's filing of supplemental information on January 5, 2012. A list of attendees is attached to this memorandum..

The filing contained the calculation of proposed rates incorporating the roll-in of environmental surcharge amounts into base rates utilizing the new revenue allocation methodology specified in the Settlement Agreement, Stipulation, and Recommendation approved in Case Nos. 2011-00161 and 2011-00162. Representatives of the Companies reviewed the schedules that were filed and provided an explanation of the calculation of the roll-in and the changes in the revenue allocation methodology. Staff asked a few clarifying questions regarding the calculations and schedules, and the Companies' request for orders by January 31, 2012.

There being no other questions, the meeting adjourned.
