Re: Case No. 2011-00239
North Shelby Water Company Tariff

Dear Mr. Derouen:

The Commission's December 6, 2011 Order in Case No. 2011-00239 granted the request of North Shelby Water Company to delete its fire protection rate. Normally, an amended tariff sheet would be filed consistent with that order. Unfortunately, the existing fire protection rate tariff filed with the Commission on February 23, 2000, a copy of which is enclosed, does not contain a page number. It appears the best way to implement the Commission's Order is to simply remove this page from the tariff. Accordingly, North Shelby respectfully requests that the Commission remove this tariff sheet from North Shelby's tariff.

Please contact us if the Commission is unable to comply with this request or if the Commission prefers a different course of action.

Yours truly,

MATHIS, RIGGS & PRATHER, P.S.C.
