Re: Case No. 2011-00244

Dear Mr. Derouen:

Kentucky Rural Water Association scheduled three regional meetings during the month of July, 2011. On behalf of Kentucky Rural Water Association, I hereby attest that these programs, herein referenced as Case No. 2011-00244, were held as scheduled in Morehead, Owensboro, and Draffenville. The planned course of instruction, approved for two (2) credit hours per session by the Commission, was performed as submitted with no changes.

As required, KRWA has retained a record of all persons requesting commissioner training hours for these approved courses. We have included a list of attendees earning hours at the regional meeting. No handouts were given to attendees.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Randall Kelley
Training Specialist
