PUBLIC SERVICE  
COMMISSION

IN THE MATTER OF:

PIPE REPLACEMENT PROGRAM FILING ) Case No.  
OF ATMOS ENERGY CORPORATION ) 2011-00288

**MOTION TO AMEND KENTUCKY PUBLIC SERVICE  
COMMISSION'S ORDERS**

Atmos Energy Corporation ("Atmos") respectfully petitions the Kentucky Public Service Commission ("Commission") for an Amended Order in connection with the Order issued in Case No. 2011-00288 dated September 7, 2011 and the Commission's Order issued in Case No. 2011-00120 dated May 24, 2011. The Commission's Orders found that the information contained in Atmos' applications, along with their revised Exhibits, was sufficient in detail to support the reasonableness of Atmos' proposed PRP rates, as revised in its March 31, 2011 and its August 19, 2011 supplemental filings. However, the attached Exhibits in the original filings contained erroneous information in the form of a typographical error related to T-4 service rates. Accordingly, we are attaching to this Motion the corrected Exhibits.

Respectfully submitted this 25 day of October, 2011.
