Dear Mr. Derouen:

Re: Case No. 2011-00295

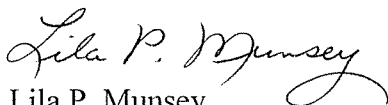

In the Matter of the Application of Kentucky Power Company for a Certificate of Public Convenience and Necessity to Construct a 138 kV Transmission Line and Associated Facilities in Breathitt, Knott and Perry Counties, Kentucky (Bonnyman-Soft Shell Line)

Enclosed is a periodic property acquisition status update, to supplement the Commission Staff's Second Set of Data Requests, Item No. 1 in the subject case. Kentucky Power Company indicated in its application that updates to the Commission would be supplied and in the Commission's order dated January 26, 2012, page 6, this offer was noted.

As of May 31, 2012, approximately 82% of the required easements have been acquired. An order has already been issued in the subject case, so this notice may be filed under general correspondence.

If you have any questions, please contact me at (502) 696-7010.

Sincerely,

Lila P. Munsey
