RE: case no. 2011-00337**

Dear Mr Jeb Pinney

After speaking to M. Shane Benson by phone I have learned That P.S.C found annual financial and statistical reports we had sent in some time back.

Although they were late it was just an over site by c.r.w.d. As soon as we found out we forgot to file them with p.s.c we sent them in right away. As far as the \$2,500. dollar fine I think that is very very excessive for first time offence. c.r.w.d does not have \$2,500. dollars to spare.it takes every penny coming in to operate c.r.w.d and that's not enough. c.r.w.d has not been able to pay William Duncan-operator for over a year and still owes B.D Trucking several thousands of dollars for last year and this year either for repairs. and Arlene Elmore which has been working in the office for 12 years has never been paid because c.r.w.d don't have the money to spare. If commission seeks to inforce please do so close to the area of c.r.w.d because division of water says I can not be no more than one hour driving time from c.r.w.d and I think it takes four hours to drive to Frankfort.

**Sincerely
William M. Duncan**
