RE: PSC Case No. 2011-00418

Dear Mr. Vilines:

I received a letter from you May 10, 2012 informing me that the construction project approved in the above referenced case was approximately 50% complete. Can you please give me an update on the progress being made so that I can update the case file? When should I expect to receive a copy of the as-builts and the certified letter of completion?

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Linda Faulkner".
