Re: Petition for Confidential Treatment received 11/16/11
PSC Reference – Case No. 2011-00451

Dear Mr. Malone:

The Public Service Commission has received the Petition for Confidential Treatment you filed on November 16, 2011 on behalf of True Wireless, LLC to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.870. The information you seek to have treated as confidential is identified as being contained in Exhibit A to True Wireless' Petition for Designation as an Eligible Telecommunications Carrier in Kentucky. The information is described as the technical and proprietary elements of its detailed descriptions of the full extent of the equipment used to provide specific services, and the identities of 3rd party vendors for wireless spectrum and related wireless services.

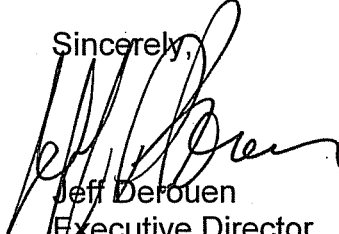

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to True Wireless' competitors, and reveal trade secrets.

Based upon review of your Petition for Designation, the Commission finds that True Wireless fails to meet the qualifications for an ETC. Therefore, the Commission has issued an Order entered on February 2, 2012 dismissing without prejudice, True Wireless' Petition for Designation. The Commission's Order dated February 2, 2012 also addresses the matter of the Petition for Confidential Treatment regarding the information listed above. The Commission has determined based upon the dismissal of the Petition for Designation, that it will not grant or deny your Petition for Confidential

Treatment, but is returning with this correspondence, the materials marked as "Confidential Exhibit A" to you as counsel of record for True Wireless. True Wireless may submit a new Petition for Designation if it meets the qualifications necessary to be designated as an ETC in the future.

Sincerely,

Jeff Derouen
Executive Director
