Re: Kentucky-American Water Company  
PSC Reference: Case No. 2012-00096  
Petition for Confidential Treatment filed April 30, 2014

Dear Mr. Ingram:

Pursuant to 807 KAR 5:001, Section 13(2), Kentucky-American Water Company, by petition tendered on April 30, 2014, requested confidential treatment of certain information contained in materials filed in accordance with paragraph No. 5 of Commission Order dated February 28, 2013, and more particularly described as the "as built" drawings of the construction authorized by said Order. This petition failed to state a time period for which the requested material should be treated as confidential as required by 807 KAR 5:001, Section 13(2)(a)(2).

Under 807 KAR 5:001, Section 3(2), documents that fail to comply with 807 KAR Chapter 5 shall be rejected for filing. Since Kentucky-American Water Company's petition failed to comply with 807 KAR 5:001, Section 13(2)(a)(2), it is rejected for filing. The requested material will be kept confidential for ten days from the date of this letter pending receipt of a written statement setting forth a time period in which the requested material should be treated as confidential, complying with 807 KAR 5:001, Section 13(2)(a)(2).

Any questions regarding this letter should be directed to Ann Ramser, Staff Attorney, at (502) 782-2585.

Sincerely,

  
Jeff Derouen  
Executive Director
