RE: Water Service Corporation of Kentucky

OCT 29 2018

Dear Ms. Pinson:

**PUBLIC SERVICE
COMMISSION**

As you may be aware, in transfer-of-control Case No. 2012-00133, Water Service Corporation of Kentucky (“WSCK”) and its corporate affiliates agreed to hold annual meetings in Clinton and Middlesboro, as well as meet annually with the Commission and its Staff. In its final order, the Commission approved the transfer, contingent on those terms. WSCK held public meetings in Clinton and Middlesboro in June and July 2018. It has not met with the Commission in this calendar year.

WSCK seeks to satisfy the requirements of that transfer case by meeting with the Commission and its Staff in 2018. WSCK has a rate case pending before the Commission and may not be finalized before the end of the year. It, therefore, seeks the guidance of the Commission and its Staff as to whether a meeting is appropriate while there is a pending case. If the Commission agrees to hold the meeting during the pendency of the case, WSCK requests that the Staff coordinates dates in December on which the Commission and its Staff is available for a meeting. If the Commission determines that the meeting should be held after a final order in the rate case is issued even if the meeting would be held in 2019, WSCK requests confirmation of such decision and will request dates for the meeting at the conclusion of the rate case. If it is necessary to file a formal motion, please so advise.

I look forward to Staff’s response on this inquiry.

Sincerely,
STURGILL, TURNER, BARKER & MOLONEY, PLLC
