Re: Case No. 2012-00358  
Graves County Water District/Hickory Water District

Gentlemen:

On September 27, 2013, the Commission issued an Order in the above-referenced case in which it approved the proposed merger of Graves County Water District and Hickory Water District. The Commission also directed Graves County Water District to file with the Commission within 10 days of completion of the proposed merger the journal entries that were used to record the merger. The merger occurred on January 1, 2013. The Commission subsequently extended the time for filing the merger entries to March 31, 2013.

As of the date of this letter, the Commission has not received the journal entries reflecting the merger of the two water districts. Commission Staff respectfully requests that Graves County Water District advise by letter or electronic mail message as to when this information will be filed.

Any questions regarding this letter should be directed to Gerald Wuetcher, Executive Advisor/Attorney at (502) 782-2590..

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".
