RE: PSC Case No. 2013-00155

Dear Mr. Carman:

PSC Case No. 2013-00155 approved the financing and construction of a water improvement project for East Casey County Water District. The final order was dated June 7, 2013. One of the ordering paragraphs of the final order states the following:

Within 30 days of executing its proposed Assistance Agreement with KIA, East Casey District shall file a copy of the executed Assistance Agreement and any documents referenced in the Assistance Agreement that East Casey District has not previously filed with the Commission.

If this document has been finalized, please file it with the Commission and reference Case No. 2013-00155. If it has not been finalized, please advise me as to the status of the finalization of the agreement so that I can update the case file.

Sincerely,

Linda Faulkner
