Re: Case No. 2013-00159  
Cumberland County Water District

Mr. Derouen:

Per instructions included in the PSC Order issued to the Cumberland County Water District on May 16, 2013, please be advised that as of July 30, 2014, construction of the "2012 Water System Improvements" project is substantially complete. Please find attached a digital copy of "as-built" drawings for your records.

Should you need additional information, please advise.

Sincerely,

Lee Mudd, P.E.  
Project Engineer
