Re: Sage Telecom Communications, LLC (Case No. 2013-00482)  
Notice of Additional Underlying Carrier

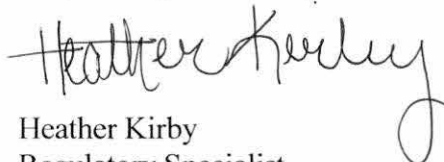

Dear Sir/Madam:

By Order entered July 3, 2014 in the above-referenced case (“Order”), the Kentucky Public Service Commission (“Commission”), designated Sage Telecom Communications, LLC (“Sage” or “Company”) as an Eligible Telecommunications Carrier for the provision of wireless Lifeline services in its underlying carrier’s licensed service area in Kentucky (*see* Ordering Paragraph No. 2), which, as noted in the Order (*see* page 8), originally included both non-rural and rural exchanges covered by Sage’s underlying carriers, which at the time were Verizon Wireless (“Verizon”) and Sprint Wireless (“Sprint”).

In order to best serve its customers and provide quality service and coverage throughout Kentucky, Sage hereby notifies the Commission that it will utilize T-Mobile USA, Inc. (“T-Mobile”) as an additional underlying carrier to provide service throughout Sage’s designated service area where its underlying carriers—now Sprint, Verizon, and T-Mobile—have wireless network coverage.

I have enclosed an extra copy of this letter to be date-stamped and returned to me in the enclosed preaddressed, postage prepaid envelope. If you have any questions regarding this filing, please do not hesitate to contact me at 770-232-7805 or hkirby@telecomcounsel.com.

Respectfully submitted,
