RE: PSC Case No. 2014-00020

Dear Mr. Stone,

Case No. 2014-00020 approved an application of the Adair County Water District, d/b/a Columbia/Adair Utilities District for a Certificate of Public Convenience and Necessity to construct and finance Phase 1, Section 1 of a project for downtown water system improvements.

The ordering paragraphs of this order require that Adair District file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with contract plans and specifications with 60 days of completion. Also, Adair District is required to file documentation of the total costs of this project including the cost of construction and all other capitalized costs.

Can you please provide us with an update on the progress being made on this project?

Sincerely,

Linda Faulkner
Filings Director
