Re: PSC Case No. 2014-00034 – Economic Development Rate Contract Report

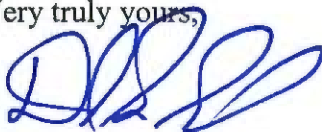

Dear Mr. Derouen:

Pursuant to the Commission's June 20, 2014 Order in the above-referenced case, please find enclosed for filing the 2014 Economic Development Rate Contract Report for East Kentucky Power Cooperative, Inc. ("EKPC"). EKPC interprets the June 20, 2014 Order as requiring this report, attached as Appendix A to that Order, on an annual basis.

For 2014, EKPC notes that as it currently does not have any special contracts incorporating the Economic Development Rider, there are no customer revenues or marginal costs to report.

EKPC further notes that the Commission's June 20, 2014 Order does not indicate when the required annual report is due. Unless directed otherwise, EKPC proposes to submit all future Economic Development Rate Contract Reports no later than March 31st of the applicable year.

Very truly yours,

David S. Samford
