Subject: KAZC Permit # AS-055-I39-2013-154

Ms. Prey,

I have been made aware of the situation regard the above subject to build the antenna 102 feet west of the original permit application latitude and longitude to the KAZC. The current permit from the KAZC AS-055-I39-2013-154 is still valid and building the antenna 102 feet west from the original proposed location is approved.

After the structure is completed, please complete the CONSTRUCTION/ALTERATION STATUS REPORT and return to the KAZC so the new latitude and longitude can be updated in the KAZC files.

Sincerely,

A handwritten signature in black ink, appearing to read "John Houlihan".
