RE: Case No. 2014-00149

Mr. Lovan,

On July 1, 2014, the Public Service Commission ("PSC") issued a Final Order in Case No. 2014-00149 requiring Northern Kentucky Water District ("NKWD") to submit revised tariff pages as set forth below:

9. Within 20 days of the date of this Order, NKWD shall, using the Commission's electronic tariff filing system, file revised tariff sheets to reflect the addition of the proposed inclusion area of Bird Road. This revision shall include a map of the areas and a list of all streets and roadways that have been placed within Sub-District I as a result of this Order.

Staff has requested the tariff repeatedly, but the required documents have yet to be submitted to in accordance with the Final Order and are currently 9-months overdue. The Commission is in need of this information in order to keep its records current, so it is requested that these required documents be filed no later than May 15, 2015.

Thank you in advance for your attention to this important matter. Should you have any questions, please don't hesitate to contact Linda Faulkner, Filings Director.

Sincerely,

Jeff Derouen
Executive Director
