Hello,

I am following up on information due pursuant to Final Order in **Case No. 2015-00040**.

Per Ordering Paragraph #7:

- **RRWD shall file with the Commission documentation of the total costs of this project, including the cost of construction and all other capitalized costs, (e.g., engineering, legal, and administrative) within 60 days of the date that construction is substantially completed.**

Per Ordering Paragraph #8:

- **RRWD shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein.**

Could you please advise when this information will be submitted to the Commission?

Thank you in advance for responding.
