Re: *In the Matter of: Application of Big Rivers Electric Corporation
for a Certificate of Public Convenience and Necessity to Construct
Two 161 kV Transmission Lines in Hancock County, Kentucky,
Case No. 2015-00051*

Dear Mr. Lyons:

Ordering paragraph no. 3 of the Public Service Commission's August 4, 2015, order in the above-referenced matter directed Big Rivers Electric Corporation to file "as-built" drawings and maps within sixty days of the completion of the construction authorized by that order. The construction is now complete and the "as-built" drawings and maps are enclosed for filing. The drawings and maps are being filed under seal pursuant to a petition for confidential treatment, an original and ten copies of which are also enclosed. I certify that on this date, a copy of this letter and a copy of the petition were served on each of the persons on the attached service list by first class mail. Please call if you have any questions.

Sincerely,

Tyson Kamuf
