RE: Operator Certification Training Approval for Continuing Education Hours

To Whom It May Concern:

Your training request has been received by the Division of Compliance Assistance, Certification and Licensing Branch. Course approvals are reviewed and approved based on core content outlined by the cabinet and the Kentucky Board of Certification of Wastewater System Operators and the Kentucky Board of Certification of Drinking Water Treatment and Distribution System Operators. The core content lists can be located on our website, dca.ky.gov/certification.

Your request was reviewed by the Kentucky Board of Certification of Wastewater System Operators and/or the Kentucky Board of Certification of Water Treatment and Distribution System Operators at their most recent board business meeting. This letter serves as notification of the board and/or cabinet determination for continuing education credit.

Course Title	Date	Hours & Type Approved	DCA Event ID#	Comments
Water Treatment and Distribution	02/23/2016	WW & DW - 12.0 Hours approved	15406	One time Approval

Upon completion of the approved training, the provider shall submit to the cabinet a completed Continuing Education Activity Report form. This form can be located on the program's website at dca.ky.gov/certification. The program will no longer accept rosters that are not submitted on the cabinet's Continuing Education Activity Report form or electronically through the cabinet's website. If a continuing education activity report was attached to the training approval request, please be aware that the operators will only receive credit for the number of hours approved by the board(s).

Sincerely,

Katie Mauer
Certification and Licensing Branch

Utility Service Group has proudly served the municipal and industrial water industries for over 50 years. Today's Utility Service Group provides comprehensive condition assessments, rehabilitation services and sustainable asset management solutions throughout the whole water cycle. Our comprehensive portfolio of innovative, sustainable technologies and custom designed professional asset management services allow a holistic approach to optimizing water production and distribution systems.

Brad Gresham has worked in the water and wastewater industries for over 15 years. He has a Bachelor's degree and a Master's degree from Emory University in Atlanta, GA. Currently he is the Southeast Region Water Systems Specialist for Utility Service Group and is responsible for the introduction and management of Water Quality Initiatives in the southeast. Prior to joining Utility Service Group, Brad was the General Manager for the Coweta County Water and Sewerage Authority. In addition, he has also served as a municipal salesperson in North Carolina, South Carolina and Georgia.
