RE: In the Matter of the Application of East Kentucky Power Cooperative, Inc. For Issuance of a Certificate of Public Convenience and Necessity, Approval of Certain Assumption of Evidences of Indebtedness and Establishment of a Community Solar Tariff, Case No. 2016-00269 - Annual Report of East Kentucky Power Cooperative, Inc.

Dear Ms. Pinson,

In accordance with the November 22, 2016 Order of the Kentucky Public Service Commission ("Commission") in the above-styled case, please accept this as the first annual report of East Kentucky Power Cooperative, Inc. ("EKPC") regarding the progress of EKPC's Community Solar Facility. With regard to the Commission's request for information on the total number of participating retail customers and the number of participating retail members identified by owner-member, the following table details this information:

Table with 3 columns: Co-op, # Retail Members, # Panels. Rows include Blue Grass Energy, Clark Energy, Farmers RECC, Fleming-Mason Energy, Grayson RECC, Inter-County Energy, Jackson Energy, Licking Valley RECC, Nolin RECC, Owen Electric, Salt River Electric, Shelby Energy, South Kentucky RECC, and Total.

Also, EKPC is providing a CD containing copies of the marketing materials used to promote participation in the Community Solar Facility, as well as a CD containing photographs of the completed facility.

EKPC continues to believe that the Community Solar Facility furthers EKPC's efforts to fulfill its strategic objectives and offers our owner-members' retail customers the ability to voluntarily participate in a facilities-based renewable energy program at the least possible cost.

Should you have any questions or require any further information, please do not hesitate to contact me.

Sincerely,

Patrick Woods
Director, Regulatory & Compliance Services
