Also, EKPC is providing a CD containing copies of the updated marketing materials used to promote participation in the Community Solar Facility.

EKPC continues to believe that the Community Solar Facility furthers EKPC's efforts to fulfill its strategic objectives and offers our owner-members' retail customers the ability to voluntarily participate in a facilities-based renewable energy program at the least possible cost.

Should you have any questions or require any further information, please do not hesitate to contact me.

Sincerely,

Patrick Woods
Director, Regulatory & Compliance Services
