Re: Case No. 2017-00130

Dear Ms. Mathews:

Kentucky Rural Water Association scheduled three regional meetings during the month of April, 2017. On behalf of Kentucky Rural Water Association, I hereby attest that these programs, herein referenced as Case No. 2017-00130, were held as scheduled in Morehead, Henderson, and Draffenville. The planned course of instruction, approved for two (2) credit hours per session by the Commission, was performed as submitted.

As required, KRWA has included a list of commissioners who attended the meetings and earned continuing education credit for the approved courses. KRWA did not submit these sessions to any agency other than the Kentucky Board of Certification of Water Treatment and Distribution System Operators. A copy of the message indicating their approval codes is also enclosed. KRWA was not provided handouts by speakers to distribute to attendees.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Janet Cole

Subject: Course Codes

Hi Veronica:

I hate to bother you, but I can't find the course codes for our April classes (approved at March board meetings) or the May classes (approved at the April board meetings).

You may have sent them to me but I can't find them. LOL – I can't find much of anything since we moved our office.

Could you send those numbers so I can get hours submitted.

Thanks so much,
Janet
