Kentucky Rural Water Association's 2017 Operator EXPO

Dear Ms. Mathews:

Kentucky Rural Water Association (KRWA) hosted its **2017 Operator EXPO** at the Hardin Co. Fairgrounds in Glendale, Kentucky, on May 23-24, 2017. On behalf of Kentucky Rural Water Association, I hereby attest that the program herein referenced as **Case No. 2017-00162** was performed as scheduled without any changes to the training agenda.

As required, KRWA has included a list of water district commissioners attending the approved presentations. KRWA was not provided handout material by the speakers to be distributed to attendees. This training was also submitted to the Kentucky Division of Compliance Assistance and was approved by the Kentucky Board of Certification of Water Treatment and Water Distribution System Operators for continuing education credit for operators. A copy of their approval letter is enclosed. An application for approval of continuing education credit was not submitted to any other agencies.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our **Operator EXPO**.

Sincerely,

Janet Cole
