Re: In the Matter of: The Application of Apache Gas Transmission Company, Inc., for a Certificate of Public Convenience and Necessity Authorizing the Implementation of a Pipeline Replacement Program, Approval of Financing Pursuant to KRS 278.300 and the Application of Apache Gas Transmission Company, Inc., and Burkesville Gas Company, Inc., for Approval of a Gas Pipeline Replacement Surcharge and Tariff - Case No. 2017-00168 – Post Case Correspondence

Dear Ms. Pinson:

Pursuant to ordering paragraph 12 of the Commission's August 29, 2017 Order, please let this serve as Apache Gas Transmission Company, Inc.'s, ("Apache") one week notice for the start of construction on phase one of the project. Apache has ordered the materials, including the pipe, necessary to complete phase one of the project. Apache is expecting the materials to arrive later this week and to begin work on the project on approximately April 17, 2018, however this is dependent upon the weather. In accordance with the August 29, 2017 Order, Apache will notify the Commission, when the entire project is fifty percent complete.

Please do not hesitate to contact me if you have any questions.

Sincerely,

L. Allyson Honaker
