As required, a list of water district commissioners who attended the classes and earned continuing education credit is included as part of this filing. A copy of the approval issued by the Kentucky Board of Certification of Water Treatment and Distribution System Operators is also enclosed. Only two speakers provided a handout for attendees (copies enclosed). Copies of the PowerPoint presentations have been made available on KRWA's website to those interested in obtaining a copy:

Subject: Course Codes

Hi Veronica:

How's the weather in Frankfort? We got hit with more snow and I am pretty much done with winter and ready for spring!!!

Just wondered if you might have the course codes assigned from the December board meetings?

Thanks for your help,
Janet
