The proposed rates are required under the terms of an agreement between the District and RD and KRS 278.023 does not grant the PSC any discretionary authority to modify or reject any portion of the agreement between the District and RD, or to defer the issuance of all necessary orders to implement the terms of the agreement. The RD loan proceeds will be used to finance the costs of the installation of (i) approximately 8,800 linear feet of 2 and 3" sewer force main plus all necessary appurtenances along KY 1225 (Slate Lick Road) and through Binder Subdivision, and the purchase and delivery of 300 individual grinder pumps and a trailer-mounted generator.
