RE: Case No 2018-00429

Dear Ms. Bridwell:

In PSC Case No 2018-00429, Graves County Water District was ordered to assess a monthly surcharge of \$1.56 to the water customers in the Hickory Area for the purpose of retiring a debt owed to the Kentucky Infrastructure Authority. On May 17, 2021, the final payment was made on that debt. Therefore, Graves County Water District requests to remove the monthly surcharge and submits a revised tariff to reflect the removal.

Also attached, is a summary report of the surcharge activity.

Please let us know if you have any questions or need any further information.

Sincerely,

  
Bill Sears  
GCWD Chairman
