RE: Todd County Water District
Novelis Water Supply Project
Case No. 2019-00180

Dear Mr. Chandler,

Per the PSC Order dated July 19, 2019, please note the following updates regarding the Todd County Water District's Novelis Water Supply Project:

- Contract 1 (Line Extension & Meter Station) was substantially complete as of November 25, 2019. The Contractor (Horsley Construction) was notified on December 4, 2019. The Contractor continues to work on punch list items and final cleanup, all with payment of retainage pending. As-built Drawings are completed.
- Contract 2 (Tank Addition) was substantially complete as of October 8, 2020. The Contractor (Caldwell Tanks) was notified on October 14, 2020. The Contractor continues to work on punch list items and final cleanup, all with payment of retainage pending. As-built Drawings are in progress.
- Contract 3 (Line Extension & Meter Vaults) was awarded to Abbico Contracting. This is extra work the District wishes to pursue with their leftover project funds. Work is expected to begin in November 2020
- McGhee Engineering is preparing the 'as-built' drawings for the referenced contracts. A copy of Contract 1 & 2 sets is expected to be forwarded to the PSC in the Fall.

If you have any questions or need additional information, please feel free to call our office or email chris.wilcutt@mcgheeengineering.com.

Sincerely,

McGhee Engineering, Inc.

Chris Wilcutt P.E.
Project Engineer
