additional KVA or fraction thereof required. Payment of the minimum charge shall entitle the member in all cases to the use of the number of kilowatt-hours corresponding to the minimum charge in accordance with the foregoing rate.

Delayed Payments:

In the event the current monthly bill is not paid by the 13th day of the following month, for which service is rendered, the service shall be discontinued and a reconnect or service charge of \$2.50, in addition to the bill for service, shall be made prior to the restoration of service. This charge shall be made whether or not the service is physically disconnected. The Cooperative shall require a cash payment prior to the restoration of service after the 13th day of the following month for which service is received.

Special Rules:

- A. The rated capacity of a single-phase motor shall not be in excess of ten horsepower (10 H.P.).
- B. Motors having a rated capacity in excess of ten horsepower (10 H.P.) must be three phase.
- C. Service under this schedule is limited to consumers whose load requirements can be met by transformers having a capacity not to exceed 25 KVA. Consumers requiring more than 25 KVA shall be served under an appropriate schedule for large power service.
- D. Seasonal or temporary loads such as coal mines and oil wells are excluded from service under this schedule.
