**DSM-13
Residential Weatherization A La Carte Program**

Purpose:

This program promotes increased implementation of weatherization improvements among Rural Customers by paying a Member or a third party contactor ("Contractor") directly an incentive for the benefit of an eligible Rural Customer who undertakes and completes residential weatherization improvements in accordance with this program.

Availability:

This DSM program's rates, terms and conditions are available to a Member for its Rural Customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff and the Member's corresponding tariff. Any Member electing to implement this program may not implement either DSM-05 Residential Weatherization Program or DSM-10 Residential Weatherization Program-Primary Heating Source Non-Electric.

Eligibility:

An eligible Rural Customer is a Member's Rural Customer who undertakes and completes weatherization improvements in accordance with this program at the Rural Customer's home located in the Member's service area. Program eligibility is based on the home and not the number of HVAC systems per home.

Member Incentives:

Big Rivers or the Member will reimburse the cost of an initial site visit and completed residential weatherization improvements performed in accordance with this program including project management costs. Big Rivers' or the Member's total reimbursement shall not exceed the amounts outlined below in Terms and Conditions. Big Rivers will also reimburse a Member's reasonable costs of promoting this program.

DSM-13 (continued)

Residential Weatherization A La Carte Program

Terms & Conditions:

1. Big Rivers or the Member will contract with a qualified third party Contractor that performs weatherization projects for electric utilities. Once the Contractor has determined that a Retail Customer's home is eligible for duct sealing as outlined in Item 5 below, residential weatherization may proceed. Any Retail Customer-selected Contractor's work and documentation must meet the standards of the Building Performance Institute, Inc. ("BPI"). Failure to meet BPI work and documentation standards may void any Big Rivers or Member reimbursements outlined below.
2. The Member will promote the program, and select Rural Customer names to submit to Contractor.
3. Contractor will contact the Rural Customers from the names provided, and manage the weatherization process.
4. Big Rivers or the Member will pay the Contractor up to \$200 for the initial site visit. This fee will include an audit report, customer educational materials, and energy efficient lights.^a
5. The Contractor will determine if the Rural Customers' home is eligible for duct sealing. Homes with a construction completion date within twenty-four months of the date of the site visit are not eligible for duct sealing. Homes eligible for duct sealing are those where 60% of the duct work is located outside conditioned spaces, *i.e.*, duct work located in attic, crawl space, or unfinished basement. Eligible homes must be 3,000 ft² or less and not pose a safety or health risk to the Rural Customer or Contractor. Homes in excess of 3,000 ft² may be subject to additional fees, determined by the Contractor and paid by the Rural Customer to the Contractor. Duct sealing reimbursement for homes with 3,000 ft² or less is based on the following schedule:
 - a. Energy efficient lights include, but are not limited to, Compact Fluorescent Lights ("CFLs") and Light Emitting Diodes ("LED") lights.
