

21. BILLING

Members will receive statement for electric service monthly on a date to be determined by the Board of Directors for service rendered for a thirty-day period ending the same day of the preceding month. All statements are due and payable upon receipt and shall be paid at the office or the Cooperative within fifteen (15) days from date of bill. Failure to receive electrical statement will not release the member from payment obligation. Should the statement not be paid as above, the Cooperative may, after ten (10) days written notice, discontinue service to that member provided such service shall not be discontinued before twenty-seven (27) days after the mailing date of the original bill. Should it become necessary for the Cooperative's representative to call at the Consumer's premises or other locations for the purpose of collecting a delinquent account or to disconnect for non-payment, (T) a charge of twenty-five dollars (\$25.00) will be made to the member account for the extra service rendered due and payable at time such delinquent account is collected. If service is disconnected for non-payment, an additional charge of twenty-five dollars (\$25.00) will be made for reconnecting, service due and payable at the time of such reconnection.

In some instances, solely at the discretion of Cumberland Valley Electric, a remote disconnect switch will be installed. If service is disconnected for non-payment with the switch, a fee of twenty dollars (\$20.00) will be applied to the member's account for the extra service rendered, due and payable at the time such delinquent account is collected. An additional fee of twenty dollars (\$20.00) will be added for reconnecting the service with the remote switch.

If, prior to discontinuance of service, there is delivered to Cumberland Valley Electric or its employees empowered to discontinue service a written certificate signed by a physician, a registered nurse, or a public health officer that in the opinion of their certifier, discontinuance of service will aggravate an existing illness or infirmity on the premises, service shall not be discontinued until the affected member can make other living arrangements or until thirty (30) days elapse from the time of the Cooperative's notification to the member, in writing, of the existence of local, state and federal programs providing for the payment of utility bills under certain conditions and of the offices to contact for such possible assistance as per 807 KAR 5:006 Section 15.

22. BUDGET PAYMENT PLAN

The Cooperative has a budget payment plan available for its residential Customers whereby a customer may elect to pay a monthly amount for the budget year in lieu of monthly or bimonthly billings for actual usage. The monthly budget payment will be determined by the Cooperative based, under normal circumstances, on a minimum of one-twelfth of the estimated annual usage, subject to review and adjustment during the budget year. The normal budget year is the twelve (12) months determined as shown below:

22. BUDGET PAYMENT PLAN CONT'D

The customer's account may be adjusted through a series of levelized adjustments on a monthly basis if usage indicates that the account will not be current upon payment of the last budget amount.

If Customer fails to pay bills as rendered under the budget payment plan, the Company reserves the right to revoke the plan, restore the Customer to regular billing and require immediate payment of any deficiency.

Failure to receive a bill in no way exempts Customer from the provision of these TERMS AND CONDITIONS.

When the Cooperative is unable to read a meter after reasonable effort, the Customer will be billed at the average of the three immediately preceding monthly or bimonthly bills and the billing adjusted when the meter is read.

Fuel clause adjustments (±) are in addition to the minimum.
