Record Series 50 4393

This Reserve Capacity Agreement ("Agreement") is made and entered into as of the 14th day of April, 2005 ("Effective Date") by and between The Union Light Heat & Power Company ("ULH&P" or "Company"), a corporation organized and existing under the laws of the Commonwealth of Kentucky, and The Kroger Co. ("Customer") with facilities at 2781 Chancellor Dr., Crestview Hills, Kentucky ("Data Center") (each a "Party" and collectively the "Parties").

WHEREAS, Customer is currently being provided electric service at the Data Center by Company through two different feeders each with its own electric service connections (designated as the "Villa 43" and "Kenton 46" feeders, with Customer's load being split between the two feeders) ("Primary Service and Supplemental Service Facilities") pursuant to Rate DT of the Company's KY. P.S.C. Electric No. 4, on file with the Kentucky Public Service Commission ("KyPSC") and as amended from time to time ("Electric Tariff"); and

WHEREAS, Customer and Company are contemporaneously entering into a Supplemental Service Agreement under which Company shall construct and maintain the Company's facilities to enable the Company to provide reserve capacity service to the Data Center ; and

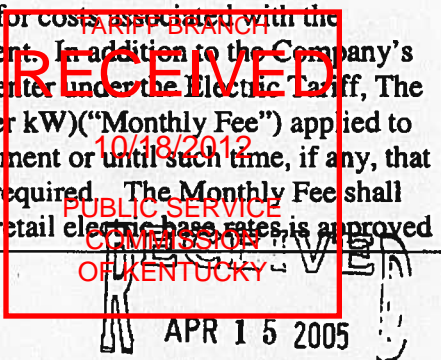

WHEREAS, the Customer desires that Company reserve 1,000 kilo-Watts (kW) of capacity on its distribution facilities that will provide such reserve capacity service ("Reserve Capacity Service"); and

WHEREAS, the purpose of the Supplemental Service and Reserve Capacity Service is to provide an alternate source of electric service to Customer in the event of the failure of the Company's primary source of supply to Customer; and

WHEREAS, Company is willing to provide such limited Reserve Capacity Service to Customer, subject to the terms and conditions of this Agreement;

NOW THEREFORE, the Parties agree as follows:

1. Reserve Capacity. Company shall reserve on Customer's behalf 1,000 kW of capacity split between two separate distribution circuits that are interconnected to the Primary Service and Supplemental Service facilities in accordance with the terms, conditions and limitations set forth herein ("Reserve Capacity Amount").
2. Fees The Customer shall pay a one-time charge of \$ 0.00 for costs associated with the provision of Reserve Capacity Service under this Agreement. In addition to the Company's regular monthly charges pursuant to service to the Data Center under the Electric Tariff, The Customer shall also pay a monthly fee of \$3,250 (\$3.25 per kW)("Monthly Fee") applied to the monthly electric utility bill for the Term of this Agreement or until such time, if any, that Customer determines that additional Reserve Capacity is required. The Monthly Fee shall be subject to change if and when a change in Company's retail electric base rates is approved

by the KyPSC. In such event, Company will notify Customer of the new monthly fee thirty (30) days prior to imposing the new fee. The Monthly Fee shall become effective either on the date that the Supplemental Service meter is installed by the Company or 60 days after the Company has completed the installation of the Supplemental Service facilities, whichever date occurs first.

3. Additional Reserve Capacity. In the event that either Party reasonably determines that Customer requires additional Reserve Capacity above the Reserve Capacity Amount, such Party may terminate this Agreement in accordance with Paragraph 8 herein. In the event of such termination, the Parties shall work in good faith to develop a replacement agreement that reflects the increased level of desired Reserve Capacity and the appropriate facilities required to provide the service.
4. Limitations on Service. Company shall make reasonable provisions to supply Reserve Capacity Service, but does not guarantee a constant or uninterrupted supply of electricity from the primary or Supplemental Service sources. Moreover, Company shall not be liable for any damage or claim of damage attributable to any interruption or reversal of service caused by accident or casualty, extraordinary action of the elements, action of any governmental authority, or by any other cause which Company could not have reasonably foreseen and made provisions against, unless due to the gross negligence or intentional misconduct of Company.
5. Excess Demand. Company does not guarantee or warranty that the Reserve Capacity Service will be available beyond the Reserve Capacity Amount level. If Customer's Supplemental Service demand exceeds the Reserve Capacity Amount, Customer shall immediately implement a curtailment plan to reduce its peak electric demand by curtailing non-essential load or by utilizing some other means to obtain an imposed loading of the Reserve Capacity Amount or less.
6. Limitation of Liability / Indemnification. The Company shall not be held responsible by the Customer for any interruption or damages attributed to the Customer's failure to conform to the Reserve Capacity Amount demand limit. Moreover, the Customer shall be held responsible for damages to Company property in the event Customer fails to conform to the Reserve Capacity Amount limit. Further, Customer shall hold Company harmless and shall indemnify Company from and against any and all damage to adjacent customers' property supplied from the same facilities as Customer, to the extent such damage results from Customer's failure to conform to the Reserve Capacity Amount demand limit. In the event Company finds that Customer is not complying with the terms of this Agreement, Company reserves the right to terminate this Agreement, disable the Reserve Capacity Service and/or remove the Supplemental Service facilities. Company will send written notice twenty-four (24) hours prior to such action being taken.
7. Changes in Facilities. If during the Term of this Agreement, ~~Customer requests~~ Company to temporarily or permanently relocate, rearrange, or alter any or all of the facilities required to provide Reserve Capacity Service, and Company agrees to do so, which agreement shall not

be unreasonably withheld, Customer shall reimburse Company for all reasonable, necessary and documented costs associated therewith.

8. **Term and Termination.** The term of this Agreement shall begin on the Effective Date and be for a period of five (5) years therefrom and shall remain in force, thereafter, until terminated by either Party giving the other Party sixty (60) days advanced written notice of its intent to terminate the Agreement. Notwithstanding the foregoing, this Agreement shall terminate upon the termination, cancellation or expiration of the Supplemental Service Agreement between The Union Light Heat & Power Company and The Kroger Co. executed contemporaneously with this Agreement ("Supplemental Service Agreement"). Upon termination of this Agreement, the Company may remove any affected facilities at Company's cost.
9. **Preventative Maintenance and Testing.** Company shall continue a reasonable preventive maintenance and testing program to reasonably ensure that all related equipment remains in operating condition. The Company's charges for such services shall be included as part of the monthly \$183.60 operation and maintenance fee under the Supplemental Service Agreement.

12. **Assignment.** Neither Party shall assign any of its rights nor delegate any of its duties under this Agreement without the prior written consent of the other Party, such consent not to be unreasonably withheld.
