Appliance Recycling Program

Purpose

The Appliance Recycling Program offers an incentive for the removal and recycling of old energy-inefficient refrigerators and freezers resulting in lower energy consumption at the participating residences.

Availability

This program is available in all territories served by owner-members of EKPC.

Eligibility

This program is targeted to existing single-family, multi-family, and manufactured homes that currently have old energy-inefficient refrigerators or freezers. The residential retail member may be eligible for this incentive by offering an existing refrigerator or freezer, subject to detailed eligibility requirements, to be picked-up and recycled. Eligibility requirements are:

- Must be a residential retail member of an EKPC owner-member.
- Retail member must own the appliance(s) being turned in for recycling.
- Retail member must be eligible for the incentive – maximum two (2) qualifying units per metered account per calendar year.
- Appliance must be between 7.75 and 30 cubic feet.
- Appliance must be plugged in, operational, working and cooling when collection team arrives.
- Appliance must be empty and have a clear path for removal.
- Appliance must be picked up from the service address on the retail member's billing account.

Eligibility requirements are available from the participating EKPC owner-member and on the owner-member's website.

Landlord/Tenant Relationships

Notwithstanding the forgoing, a landlord who owns a qualifying appliance that is used by a tenant who is a retail member of an EKPC owner-member shall also be eligible to participate in the ARP program regardless of whether said landlord is also a retail member of an EKPC owner-member. A landlord may be eligible for a maximum of two (2) incentives per metered tenant end-user's account per calendar year.
