

**Section DSM - 8**  
**Appliance Recycling Program**

(N)

**Purpose**

The Appliance Recycling Program offers an incentive for the removal and recycling of old energy-inefficient refrigerators and freezers resulting in lower energy consumption at the participating residences.

**Availability**

This program is available in all territories served by owner-members of East Kentucky Power Cooperative ("EKPC").

**Eligibility**

This program is targeted to existing single-family, multi-family, and manufactured homes that currently have old energy-inefficient refrigerators or freezers. The residential end-use cooperative member ("end-use member") may be eligible for this incentive by offering an existing refrigerator or freezer, subject to detailed eligibility requirements, to be picked-up and recycled. Eligibility requirements are:

- Must be a residential end-use member of an EKPC owner-member cooperative
- End-use member must own the appliance(s) being turned in for recycling.
- End-use member must be eligible for the incentive – maximum 2 qualifying units per metered account per calendar year.
- Appliance must be between 7.75 and 30 cubic feet.
- Appliance must be plugged in, operational, working and cooling when collection team arrives.
- Appliance must be empty and have a clear path for removal.
- Appliance must be picked up from the service address on the end-use member's billing account.

Eligibility requirements are available from the participating EKPC owner-member and on the owner-member's website.

**Landlord/Tenant Relationships**

Notwithstanding the forgoing, a landlord who owns a qualifying appliance that is used by a tenant who is an end-use member of an EKPC owner-member shall also be eligible to participate in the ARP program regardless of whether said landlord is also an end-use member of an EKPC owner-member. A landlord may be eligible for a maximum of 2 incentives per metered tenant end-user's account per calendar year.

**Payments**

EKPC will pay the owner-member the sum of \$140 for each qualifying appliance, to be split as follows: \$50.00 as reimbursement of the incentive (rebate) per qualifying appliance and \$90.00 as a transfer payment to the owner-member to cover lost revenue.

**Term**

The program is an ongoing program.
