Community Assistance Resources for Energy Savings ProgramPurpose

EKPC Community Assistance Resources for Energy Savings ("CARES") program provides an incentive to enhance the weatherization and energy efficiency services provided to the retail members of the owner-members of EKPC by the Kentucky Community Action Agency ("CAA") network of not-for-profit community action agencies or by Kentucky's non-profit affordable housing organizations ("AHO"). EKPC will provide an incentive through the owner-member to the CAA or AHO on behalf of the retail member. EKPC's program has two (2) primary objectives. First, EKPC's incentive will enable the CAA or AHO to accomplish additional energy efficiency improvements in each home. Second, the additional incentive from EKPC will assist the CAA or AHO in weatherizing more homes.
