ENERGY STAR® Manufactured Home Program

N

Purpose

Inter-County Energy Cooperative's ENERGY STAR® Manufactured Home Program ("ESMH") is designed to ensure that members of Inter-County Energy Cooperative purchase an energy efficient manufactured home. Inter-County Energy will accomplish this by providing the purchaser of a manufactured home with an incentive to purchase and install a new ENERGY STAR® certified manufactured home.

Availability

This program is available to residential members served by Inter-County Energy Cooperative.

Eligibility

To be eligible for this ESMH incentive, new manufactured homes must meet the following criteria:

- United States Environmental Protection Agency ("EPA") and Systems Building Research Alliance ("SBRA") guidelines as an ENERGY STAR® Manufactured Home.
- Primary source of heat must be a heat pump.
- Home must be all electric.
- Home must be installed by the member on lines served by Inter-County Energy Cooperative.
- Participants in the ENERGY STAR® Manufactured Home Program are not eligible for participation in the Heat Pump Retrofit Program.

Payments

After new home installation and after receiving certification as an ENERGY STAR® manufactured home, Inter-County Energy will tender a \$1,150 incentive payment to the member. The incentive is intended to help cover the cost of upgrading the home from the standard United States Department of Housing and Urban Development (HUD) construction requirements to the SBRA and EPA ENERGY STAR® manufactured home construction requirements.

Term

This program is an ongoing program.
