

**Renewable Energy Program (continued)**

Under Option C, the participating C&I retail member will pay the market value of the RECs purchased on their behalf without markup from Jackson Energy or EKPC. They will have the option to instruct Jackson Energy and EKPC to purchase: (i) RECs covering a set percentage of their energy consumption each month; (ii) a set dollar amount of RECs per month; (iii) a set number of MWhs. The participating C&I retail member can set a REC price that requires additional approvals for Jackson Energy and EKPC to purchase RECs per the Agreement. EKPC will act as the participating retail member's REC purchasing agent including settling the REC market transactions and REC retirements.

**Billing and Minimum Charge**

Under Option A, the member will be billed monthly for the amount the retail member pledged to contribute in their "Pledge to Purchase Renewable Energy". Existing envirowatts retail participants will be billed at their existing rate of \$2.75 per their existing agreement or pledge.

Under Option B, the retail member will be billed for the renewable energy per the agreement.

Under Option C, Jackson Energy will increase the participating retail member's electric bill for the RECs purchased at the market price plus a monthly transactional fee of \$100. For any agreement instructing Jackson Energy and EKPC to purchase RECs in advance of the billing cycle, a monthly carrying charge equal to 1/12 of the annual deposit rate set by the Commission will be added to the participant's electric bill.

**Terms of Service and Payment**

This rider shall be subject to all other terms of service and payment of the applicable tariffs and adjustment clauses to which it is applied to each member.
