<b>RATES AND CHARGES</b>
<b>DSM 07 – COMMERCIAL / INDUSTRIAL HIGH EFFICIENCY LIGHTING REPLACEMENT INCENTIVE PROGRAM</b>

**Availability**

DSM program rates, terms and conditions are available to any Member receiving service under Tariff C-1, C-3 or D subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff and as stipulated by the Big Rivers corresponding tariff.

**Purpose**

This program promotes the upgrading of low efficiency commercial or industrial lighting systems by paying an incentive to eligible Members who measurably improve the energy efficiency of a commercial or industrial lighting system.

**Member Incentives**

JPEC will pay an eligible Member an incentive payment of three hundred fifty dollars (\$350.00) per kW of measurable improvement in energy efficiency to an existing commercial or industrial lighting system.

**Terms & Conditions**

To qualify for the incentive under this program, an eligible Member must submit documentation to JPEC as specified below:

1. Information from which the energy efficiency of the existing commercial or industrial lighting system can be calculated;
2. Information from which the energy efficiency of the improved commercial or industrial lighting system can be calculated, and the improvement in the energy efficiency of the lighting system determined;
3. Information that documents the purchase and installation of the improvements to the commercial or industrial lighting system, including a copy of the invoice for materials and installation services associated with the project;
