Schedule 32 – Special Charges

T

I (e) Meter Test Charge - \$50.00 – This charge will be assessed if a customer requests the meter be tested and the test shows the meter is not more than two (2) percent fast. No charge shall be made if the test shows the meter is more than two (2) percent fast.

I (f) Returned Check Charge \$12.00 – A returned check charge will be assessed if a check accepted for payment of a bill is not honored by the customer's financial institution.

Kenergy shall have the right to refuse to accept checks in payment of an account from any customer who has demonstrated poor credit risk by having two or more checks returned unpaid from a bank for any reason.

Kenergy shall not accept a check to pay for and redeem another check or accept a two-party check for cash or payment of an account.

When a customer has been mailed a notice of termination for non-payment and subsequently presents an insufficient check as payment, the original termination date will remain unchanged. The presentation of an insufficient funds check does not constitute payment of the account.

(g) Late Payment Kenergy Charge – A 5% charge will be assessed if a customer fails to pay a bill for services within (20) days from the date the bill was rendered. The charge will be assessed only once on any bill for rendered services. Any payment received shall first be applied to the bill for service rendered. Additional charges shall not be assessed on unpaid charges.

CLASSIFICATION OF SERVICE

Residential Weatherization Program - Primary Heating Source Non-Electric and Electric-Sourced Air Conditioning

5. Big Rivers Electric Corporation, on behalf of Kenergy Corp., will also pay \$3 per installed CFL bulb and \$10 per installed low-flow aerator, and/or low-flow shower head, if the water heater is electric, as part of the initial audit. Reimbursement will be limited to the following:

- CFL Bulbs Twenty (20) per Residential Customer's residence
- Low-Flow Aerator Two (2) per Residential Customer's residence
- Low-Flow Shower Head One (1) per Residential Customer's residence

N 6. Big Rivers Electric Corporation, on behalf of Kenergy Corp., will also pay the contractor \$225 upon completion of the diagnostic audit. The residential customer will pay \$225 to the contractor for the diagnostic audit.

N 7. Big Rivers Electric Corporation, on behalf of Kenergy Corp., will also pay up to \$1,000 for implemented residential weatherization measures, including project management.

Evaluation, Measurement and Verification

Big Rivers Electric Corporation, on behalf of Kenergy Corp., will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

Residential Weatherization Program – Primary Heating Source Electric and Electric-Sourced Air Conditioning

Residential Weatherization Program-Primary Heating Source Electric and Electric-Sourced Air Conditioning

Purpose

This program promotes increased implementation of weatherization improvements among residential customers whose primary heating source is electric with electric-sourced air conditioning by paying an incentive to eligible residential customers who undertake and complete residential weatherization improvements in accordance with this program.

Availability

T This DSM program's rates, terms and conditions are available to residential customers subject to the limitations and eligibility requirements of this program and to the rules and regulations of this tariff.

Eligibility

A residential customer served by Kenergy Corp., who undertakes and completes weatherization improvements, in accordance with this program, and has a primary heat source that is electric and electric-sourced air conditioning.

Member Incentives

T Big Rivers Electric Corporation, on behalf of Kenergy Corp., will reimburse the cost of approved residential weatherization improvements performed in accordance with this program. Big Rivers' total reimbursement shall not exceed the amounts outlined below in Terms and Conditions.

Terms & Conditions

1. Big Rivers Electric Corporation, on behalf of Kenergy Corp., will contract with a third-party contractor ("Contractor") that performs weatherization projects for electric utilities.
2. Kenergy Corp. will promote the program and submit residential customer names to Contractor.
3. Contractor will contact the residential customers from the names provided and manage the weatherization process.
4. Big Rivers Electric Corporation, on behalf of Kenergy Corp., will pay the Contractor \$150 for the initial site visit.

RULES AND REGULATIONS

Schedule 125 - Inspections

Pursuant to 807 KAR 5:006, Section 14(e), Kenergy shall not initiate new permanent electric service until the required certificate of approval has been issued by a certified electrical inspector if required by local or state government.

It shall be the duty of Kenergy, before making service connections to a new customer, to visually inspect the condition of the meter and service facilities for such customer in order that prior or fraudulent use of the facilities will not be attributed to the new customer. The new customer shall be afforded the opportunity to be present at such inspections. Kenergy shall not be required to render service to any customer until any defects in the customer-owned portion of the service facilities have been corrected.

Kenergy shall not initiate permanent electric service to a customer until a final certificate or approval, wherever applicable, shall have been issued by a certified electrical inspector, pursuant to 815 KAR 7:020 (16) (C) 1.

Wiring systems that are substantially complete may be granted a permanent service type connection. This temporary connection would be for completion of the house or facility, only, and is not to be used for any form of occupancy or permanent use. The connection will be for a reasonable time, not to exceed three (3) months. Prior to Kenergy granting this type connection, written notice agreeing to these terms must be signed by an electrical inspector, electrical contractor, and property owner.

SHEET NO. _____

RULES AND REGULATIONS

Schedule 163 - Billing

T Kenergy's billing period is on a monthly basis and shall be flexible so as to allow various billing cycles based upon the date of the monthly meter reading. Each month, Kenergy shall render an electric service statement to each customer for approximately thirty (30) days of service. The customer shall pay the net amount of bill within sixteen (16) days of the date bill was rendered. If payment is not received by Kenergy within twenty (20) days of the date bill was rendered, the gross amount (as defined in the Rate Schedule) shall be due. The late payment charge shall only be assessed one time for any bill rendered for services. Failure to receive the bill will not release the customer from payment obligation.

The specific billing procedures adopted by Kenergy are shown below:

Date Billed	Meter Reading Date	Due Date	Gross Date	On or After Delinquent Notice Mailed	On or After Service Termination Date
1	8	17	21	21	1
3	10	19	23	23	3
6	13	22	26	26	6
8	15	24	28	28	8
10	17	26	30	30	10
13	20	29	3	3	13
15	22	1	5	5	15

PSC NO. 2

Original SHEET NO. 167

CANCELLING PSC NO. 1

SHEET NO. _____

RULES AND REGULATIONS

Schedule 167 - Monitoring Usage

Kenergy has established the following procedure for monitoring customer usage so as to detect any unusual deviations in individual customer usage and the reasons for such deviation:

1. A computerized billing system is utilized to automatically alert Kenergy to any customer provided monthly meter reading which would cause KWH usage to be significantly higher or lower than usual. The criteria employed in the computer program to determine "high" usage is the current month's KWH usage being at least 100% higher than the prior month's usage and at least 100% higher than the same month's usage in the previous year. The "low" usage computer program criteria is the current month's KWH usage is at least 50% less than the prior month's usage and at least 50% less than the same month's usage in the previous year. Based on these criteria, a computer exception report is produced daily that identifies customers' accounts which have significantly higher or lower KWH usage.

2. The daily high/low exception report is reviewed by Kenergy billing personnel, wherein they consider the type of service, past KWH usage history, weather conditions, or other unique circumstances in trying to determine cause. If the cause for deviation cannot be determined from analysis of customer's billing records, Kenergy will contact customer by phone or in writing for additional information.

3. Where the deviation is not otherwise explained, Kenergy will test the customer's meter to determine proper registration as prescribed by regulations of Kentucky Public Service Commission. Kenergy will notify the customer of the investigation, its findings, and any refunds or back billing in accordance with 807 KAR 5:006, Section 10(4) and (5). Kenergy will use the same process to investigate usage deviations brought to its attention as a result of its ongoing meter reading programs or by customer inquiry.
