Second Revised SHEET NO. 55

CLASSIFICATION OF SERVICE

Pilot Residential Weatherization A La Carte Program

Residential Weatherization A La Carte Program

Purpose

T

This program promotes increased implementation of weatherization improvements among residential members by paying an incentive to eligible residential members who undertake and complete residential weatherization improvements in accordance with this program.

Availability

T

This DSM program's rates, terms and conditions are available to residential members subject to the limitations and eligibility requirements of this program and to the rules and regulations of this tariff.

Eligibility

T

A residential member served by Kenergy Corp., who undertakes and completes weatherization improvements, in accordance with this program. Program eligibility is based on the home and not the number of HVAC systems per home.

Member Incentives

Kenergy Corp. will provide a portion of the cost of approved residential weatherization improvements performed in accordance with this program including management costs. Kenergy's total reimbursement shall not exceed the amounts outlined below in Terms and Conditions.

Terms & Conditions

T

1. The member will contract with a third-party contractor ("Contractor") that performs weatherization projects, including duct sealing. Once the contractor has determined that a residential member's home is eligible for duct sealing as outlined in Item 2, residential weatherization may proceed. Any member-selected contractor's work and documentation must meet Commonwealth of Kentucky Department of Housing, Building, and Construction ("KDHBC") standards. Failure to meet KDHBC work and documentation standards may void any reimbursements outlined below.

Pilot Residential Weatherization A La Carte Program

2. The Contractor will determine if the residential member's home is eligible for duct sealing. Homes with a construction completion date within twenty-four months of the date of the site visit are not eligible for duct sealing. Homes eligible for duct sealing are those where 60% of the duct work is located outside conditioned spaces, i.e., duct work located in attic, crawl space, or unfinished basement. Duct sealing reimbursement for homes is based on the following schedule:

Home Heating Source	Paid by Kenergy
Electric	Up to \$500
Gas	Up to \$250

Any balance exceeding Kenergy's reimbursement will be paid by the residential member.

3. Additional weatherization measures are available under this program and Kenergy's reimbursement for these measures, are based on the following schedule:

Additional Weatherization Measure	Electric-Heated Homes	Gas-Heated Homes
Attic Insulation	Up to \$500	Up to \$250
Floor/Crawl Space Insulation	Up to \$250	\$0
Smart/Programmable Thermostat	Up to \$30	Up to \$30

Any balance exceeding Kenergy's reimbursement will be paid by the residential member.

4. To qualify for the additional weatherization measure incentives under this program, a member must submit to Kenergy documentation supporting the purchase and installation of additional weatherization measures.

Attic insulation must achieve an additional value of R19 or achieve a total insulation value of R38.

Floor insulation must achieve an additional insulating value of R11.

Should the residential member need financing for any portion of the residential member's cost, the residential member may separately arrange financing or the contractor may assist the residential member in applying for financing.

5. Big Rivers or Kenergy will complete all reimbursements upon completion of any of the above weatherization measures and submission of an application and required documentation.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.
